

C|Suites Executive Lounge

Your business often takes you beyond your office. More often than not you find yourself holding client meetings in noisy cafes, checking emails in hotel lobbies or wasting valuable time due to a lack of suitable facilities. A full-service office may not be cost-effective or flexible enough to suit your business needs. C|Suites Executive Lounge provides a professional alternative that is both luxurious and affordable.

Your Business Solution

C|Suites Executive Lounge is a membership-based facility with state-of-the-art amenities, private workstations, luxurious appointed meeting rooms, and informal cafe and lounge areas. You pay only one, all-inclusive annual membership fee, and then enjoy access to the lounge as you require (annual hour cap applies) making C|Suites Executive Lounge Membership a flexible, cost effective way to conduct your business. C|Suites Executive Lounge is a venue guaranteed to wow your clients without breaking your budget. After all, our commitment is to provide you with a real business solution and help your business grow.

Be at Your Most Productive

Your C|Suites Executive Lounge membership is about making the most of your time and working as efficiently and effectively as possible. C|Suites Lounge provides you with:

- A professional environment to meet clients
- A quiet place to get on top of your workload
- An opportunity to recharge between meetings
- A venue for seminars, workshops and functions
- An opportunity to network

Affordable Business Luxury

C|Suites Executive Lounge membership is an annual membership that offers you superior service and maximum access to unrivaled facilities at a minimal commitment. At a cost of just \$3,990 per year, your membership delivers maximum value:
